A Talk To Mothers-- Not Frivolous, But Thoughtful Mothers.

Each winter season brings coughs, colds, catarrh, pneumonia, "flu" and tuberculosis. Loving mothers dread the onslaught of these diseases.

Thoughtful mothers often provide against the danger of colds and coughs. Such mothers spend less money and are less anxious, and sleepless, watching at the bedside of a loved one.

Some mothers, inexperienced, do not know how to provide in advance for the colds and coughs that are bound to appear.

There is a simple inexpensive way—practiced by over 30,000,000 mothers and MRS. LEE—years, as a great volume of testimony proves. Not later than the first cold or runny spell, they make up a full cup of home-made cough and cold medicine—using 2½ oz. of the pure Eucalypti-Mentha-Lexene, mixed with home-made sugar syrup. Costs less than \$1.00.

Mentha-Lexene is no pure—contains no chloroform, opium or narcotic drugs—that it is safe for infants and children. Its marvelous little like delicious flavor—and its remarkably quick action in stopping colds and coughs before the danger comes—has made it famous. There is nothing sold so pure, so prompt, so inexpensive.

Secure to "Thoughtful Mothers." Get Eucalypti-Mentha-Lexene today and drive the cold and cough away. "Heat over a lamp of cough and cold." Send 5 cents stamp for The Blackhawk Products Co., Dayton, Ohio.

You, too, can have "A skin you love to touch"

A BEAUTIFUL skin, soft, smooth, faultlessly clear—any girl can have this charm.

Your skin is constantly changing. Each day old skin dies and new takes its place. Give this new skin the right treatment, and see how soft and lovely you can keep it.

Use this special treatment for a very sensitive skin:

DIP a soft washcloth in warm water and hold it to your face.

Now make a warm water lather of Woodbury's Facial Soap and dip your cloth up and down until the cloth is "fluffy" with the soft, white lather.

Rub this lathered cloth gently over your skin until the pores are thoroughly cleansed. Rinse first with warm, then with clear, cool water and dry carefully.

THE first time you use this treatment it will leave your skin with a slightly drawn, tight feeling. This means that your skin is responding in the right way to this method of cleansing. After a few treatments the drawn feeling will disappear and your skin will gain a new softness and smoothness.

Get a cake of Woodbury's today. A 25-cent cake lasts a month or six weeks.
